Lyrics – Countdown

[Verse 1]
The smell of her hair still lingers here
You walk away when she's near
Do you have something to hide?
It's funny how you try to deny

It only took you 10 days to get over me
Thought about 9 times of what we could've been
The clock has stopped at 8
I can't even think straight

[Pre-chorus]
7 times I caught in a lie
I know you met her last night
6 times you saw me cry
But you looked me in the eye

[Chorus]
And said: "you are the queen of my heart"
But I saw you in the motel bar
How could I be so naive
To let myself believe
It is such a shame
That I fell for your games
Should've known it wouldn't last forever
Wish we had never never been together

[Verse 2]
I think I can take the blame on this
But it's so hard to resist
I knew you were no good
But I never understood

You've been out for 5 whole days
You make my mind so haze
4 times I tried to call
But you don't care at all
[Pre chorus]I've been up since 3 am
The club closed at 2 am
Easier said than done
I thought I was the only 1

[Chorus]
And you said: "you are the queen of my heart"
But I saw you in the motel bar
How could I be so naive
To let myself believe
It is such a shame
That I fell for your games
Should've known it wouldn't last forever
Wish we had never never been together

[Bridge]
This is my last countdown
You never came around
1+1 is 2 (but not to you)

I'm closing the door
I'm not your queen anymore
And there's nothing
There's nothing you can do

[Final chorus]
And you said: "you are the queen of my heart"
But I saw you in the motel bar
How could I be so naive
To let myself believe
It is such a shame
That I fell for your games
Should've known it wouldn't last forever
Wish we had never never been together

Oh oh
Yeah yeah yeah yeah
Ah ah ah
